

# V-Throw™

Full image, cost-effective table throw

You've got your products, literature and sales pitch all ready to go, but you've got to draw people to your table first. A great way to stand out in the crowd is to dress up your table by adding a printed throw with your brand and message. Maximize the visual impact of your space and turn their attention straight to you.

The V-Throw is no ordinary table throw. It's made with premium fabric and will stand up to repeated use. Powered by 4K Print Technology, the best dye-sub print on the market, you'll have a crisp, vibrant image to personalize your space. This is how you bring people to the table.
